Mini 850 and 1000 Saloons

Who needs an introduction to the Mini? It's the world's most celebrated small car — for the best reasons in the world. With prices soaring everywhere, the Mini continues to provide economy in comfort — around 40 m.p.g. on the open road while seating four adults with ease. And the space-saving concept of transverse engine plus front wheel drive gives you the edge in city traffic and lets you slip into the smallest parking slot. Choose the 948 c.c. engine for maximum economy with sturdy performance, or the 998 c.c. engine for a lot more go at little extra cost. Whichever model you choose will open up a new world of enjoyable and money-saving motoring.
