

WOLSELEY HORNET

Never before such luxury value within dimensions so compact

W.220

Step into a Wolseley Hornet and into the luxury class of motoring. On first sight you'd scarcely believe that this trim, compact 848 c.c. motor car has an interior as spacious as most 1½ litre models. It's well appointed too, with real leather on the seats. Here, also, are all the advantages of B.M.C. mini engineering—brisk acceleration—high cruising speeds and phenomenal roadholding. You'll park in spaces that other cars pass by. You'll count big savings in running costs. Family car, business car or second car the Wolseley Hornet is a very wise buy indeed. £460 plus £96.7.11 P.T.
